About

Since the inception of The American Legion Legacy Scholarship immediately following the terrorist attacks of September 11, 2001, The American Legion offers its support to the children of fallen post-9/11 service members through this annual scholarship. It remains our civic duty and a point of pride to ensure these children are able to receive the best education possible after losing a parent in defense of this country or becoming 50% or greater disabled veteran.

While our federal and some state governments offer significant aid to this class of children whose parents were lost in war, a funding gap remains. The American Legion through its Legacy Scholarship is able to bridge the financial needs gap to ensure these children are able to cover the cost of their education. Currently, the average cost of one-year's tuition and fees is \$9,139 for in-state public universities, \$22,958 for out-of-state students at a public university, and \$31,231 at a private university. These numbers may only rise, as the cost of college tuition has been rising at a rate of roughly 7% per year for decades.

For our children of the fallen and 50% and greater disabled veterans, The American Legion stands ever vigilant to help defray these costs.

Eligibility

Those eligible to apply for the scholarship shall be the child/children or legally adopted child/children or a child of a spouse by a prior marriage or dependent child as defined by the United States Armed Services of active duty United States military and National Guard, and military reservists who were federalized and die on active duty on or after September 11, 2001. The applicant must be a high school senior or high school graduate to apply for the scholarship. Scholarship is for undergraduate study at an accredited institution of higher education within the United States.

Legacy Scholarship Fund

The proceeds of this ride will help provide college scholarships to the children of our Fallen Soldiers and the children of our disabled veterans since 9/11.

Starting Friday June 11, 2021 we will leave Towson American Legion Post 22 in the morning and travel almost 600 miles around Maryland to return on Sunday June 13, 2021 to Towson.

We need your help by riding with us, sponsoring us or making a donation. Last year, in the middle of a National Emergency, we raised and donated \$47,100.00 to the Legacy Scholarship Foundation. This year we have set a goal of \$60,000.00. We need you help to reach it!

More details and exact route information can be obtained at WWW.MDALR.org in late March 2021 or by emailing Joe Gladden at joeglad123@aol.com or John Horner at johnehorner@verizon.net
